What makes us unique

- We have direct market access to a growing demand for affordable table eggs.
- Decades of hands-on experience backed by insurance for added security.
- Our core principles prioritize delivering strong and consistent returns to partners.
- A proven model allows busy professionals to profit from poultry ventures without the labour and technical burden.

Partnership plans

From 5,000 birds raised to breakeven, our venture client partners can expect the following returns.

₦10m → ₦4m

₦5m → ₦2m

₦1.25m → ₦450,000

₦2.5m → ₦1m

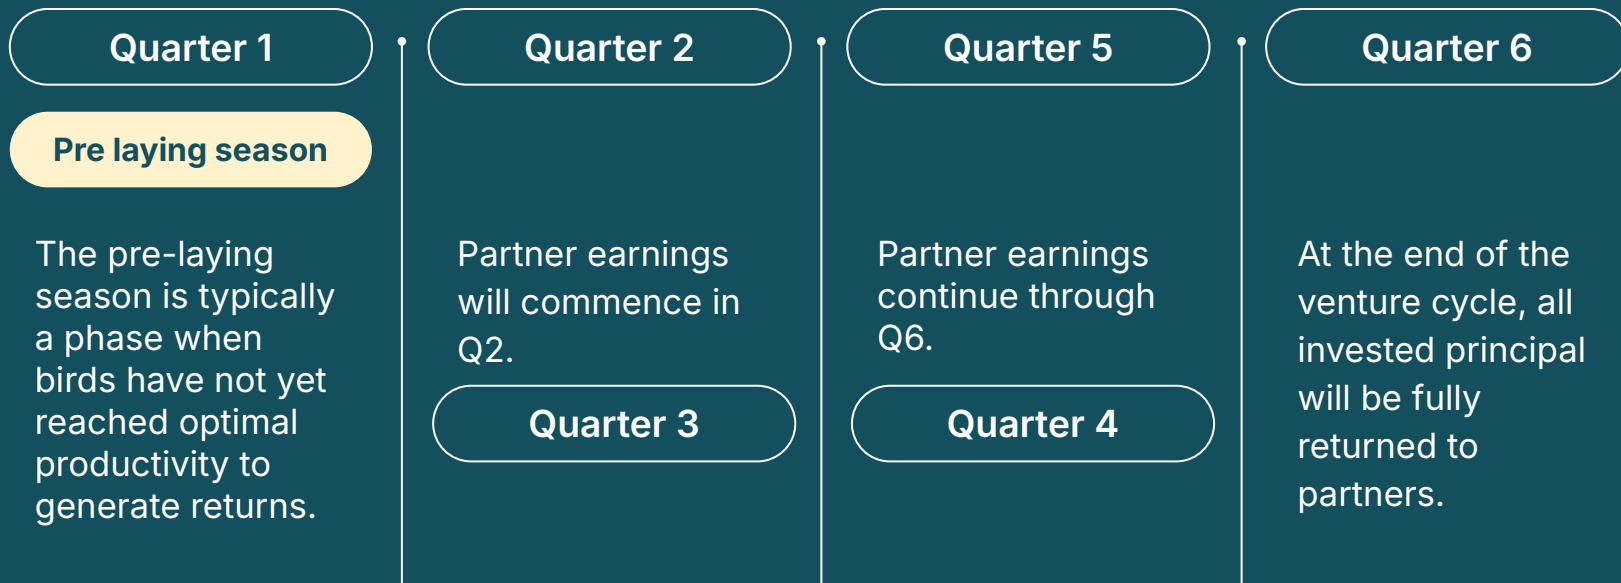

₦3.75m → ₦1.5m

Other options available on the interest form.
